

EMAIL TO ALL CURRENT FELLOWS MARCH 7, 2020

Good morning fellows,

We wanted to let you know that we've posted a special page accessible through PiLA's website where we are sharing [COVID-19 / coronavirus](#) information and related PiLA communication and policies.

Feel free to watch that space for updates and continue to stay informed through the various resources available there.

In other news, though, we are happy to share that we are finishing the process of contacting all PiLA finalists with their matches and potential fellowship descriptions! We have shared contact info for current fellows with them so please watch your inboxes for any emails with questions from finalists who have been matched with a role at your organization.

Thanks and have a great weekend,

The PiLA Team
